### **Traffic Safety**

We want all of our children to come to and from school safely. This week we had a very unfortunate incident where a child was hit by a bicycle on Twyford Abbey Road. The road is busy and it is vital that children and families cross it safely. Please help to keep our children safe by:

- Always use the crossing outside school to cross the road. This is much safer than coming across the road.
- If children are cycling encourage them to walk their bike across the crossing

- Make sure that your child is with you when you leave the school gates. It is always busy at pick up time and , particularly if your child is younger they need to be with you as you leave the school.

We teach children the importance of good road safety, please support this by talking to your child. We want all of our children to travel safely.

Thank you for your support

## Year 6 French Cafe

On Thursday afternoon Yr 6 enjoyed the experience of a French café. Pupils were both the customers and the waiters with only French being spoken and real food served!

Here are some of their comments:

Kiarne, "It was great to be able to ask in French!" Jade, "The food was lovely and I enjoyed the French games pack." Yusuf, "I liked that you had to show how much French you knew." Tim, "It was really good! We can use this again in the future!" Avah, "I really liked being able to order my own food . I feel I can go to a real French café now and speak French!"

Bravo à tous!

Miss Parker

Punctuality, coming to school on time, is very important. **Learning in school starts at 8.55, and we need all children to be in school ready to learn.**

We teach phonics first thing in the morning, if children are late then they miss an very important learning opportunity. **School gates open at 8.45: please ensure that your child is on time to make the most of the school day.**
