### Learning in the Nursery

Over the last two weeks Nursery have been reading the book Errol's Garden by Gillian Hibbs. In our Nursery garden we have been growing strawberries and this week they were ready to be harvested. We washed and shared them out. Everybody got two each! We have also been growing potatoes but they won't be ready until the end of term. All children planted a sunflower seed this week. "The seed is going to come flower," Aarna told us. We learnt that sunflowers need water, sunlight and soil to grow so we looking after them carefully. We painted

pictures and sunflowers, drew chalk pictures of flowers on the ground and had a pretend flower shop.

## Summer Concerts

Next week we are delighted to be celebrating the wonderful music at West Twyford with our annual summer concerts. On Wednesday 17th KS2 (years 3,4,5 and 6) are performing and on Thursday 18th it's KS1 (Reception, 1 and 2)

Please be on time for the concert (if you are late we may ask you to wait until you can enter without disturbing the performers)

On Wednesday, the year 3 and 4 perform from 2.00 to 2.35 and Year 5 and 6 from 2.40 to 3.15

On Thursday, the KS1 performance is from 2.30-3.15

We want to give our children the best chance to perform. So please remember that this may not be suitable for younger siblings. If you do bring a Pram or buggy, this needs to be left outside the hall. Thank you for your support.

Punctuality, coming to school on time, is very important. **Learning in school starts at 8.55, and we need all children to be in school ready to learn.**

We teach phonics first thing in the morning, if children are late then they miss an very important learning opportunity. **School gates open at 8.45: please ensure that your child is on time to make the most of the school day.**
