### Goodbye Year 6

This term, Year 6 have been working hard on their performance of the Jungle Book. The story takes place deep in the jungle, where a young boy (Mowgli) gets misled and has to rely on his friends to help him. The entire cast have worked incredibly hard; the backstage crew have helped make the props, costumes and the set, while the actors have learnt their lines and improved their acting skills. Well done to all involved.

'What a fantastic performance this was with great acting, singing and costumes. I was so proud to see this and huge congratulations to all of year 6 and the amazing staff!' Mr Shapland

## Twyford Park Visit

We were visited by representatives of the Twyford Park development this week and they delivered a special assembly to years 3-6 about how construction works and career opportunities. This was inspirational and it was wonderful to hear about this from people working in the industry.

They also presented three winners from their naming competition last year. Congratulations to Gracie Riddle, Mohamed Osman and Zeina Mallas who have all given names to parts of the new Twyford Park development. They each received a Kindle as a prize.

## Sports Day Cancelled

We have taken the decision not to have our annual sports day on Monday. This is due to the hot weather. Next week is expected to be cooler but still with high temperatures and we want to ensure that our children are safe. This is unfortunate as it is such a fun day for the children, we will continue to provide sporting opportunities once the weather has cooled.

Thank you for your support.

## End of Term

West Twyford summer term ends on Friday next week (17th July) and **children leave at 1.30**.

Please make sure that your child is collected or, if they go home alone that you have made arrangements for them.

The end of term is a very special time at school and we will have a special whole school assembly on Friday morning, where we praise children for their achievements this year. We expect all children to be in school all next week.

School reopens for all children on the 3rd September.

## Football in the Local Area

We have been contacted by local businesses about children playing football in unsuitable place near their properties. They have particularly complained about balls being kicked onto their premises and children then going into them to reclaim the balls. This is trespassing and can be taken very seriously. If your child does like to play football, please make sure they are doing so in a safe place which does not cause a problem for our neighbours.

Thank you for your support.

## Free Dental Check Ups

The poster is for 'NHS Summer Kids Day' at 'DENTAL BEAUTY ACTON'. It features the NHS logo in the top right corner. The main text 'NHS Summer Kids Day' is in large white font on a purple background. Below it, a yellow banner says 'Friday 31<sup>st</sup> July | 9.30am - 5.00pm'. The poster is divided into four sections, each with a photo of a child and a text box: 'Free Checkups' (child with glasses), 'Goody Bags' (child with a bag), 'Face Painting' (child with face paint), and 'Tips & Tricks' (child with a toothbrush). At the bottom, it says 'Limited spaces available, book your space *now*' and provides a phone number (020 8992 6681) and an email address (actonreception@dentalbeauty.co.uk). There is also a QR code and a small text box that says 'Scan QR code to book your free kids check-up'.
