Health Fair

A big thank you to everyone who attended our health fair on Thursday. It was wonderful to see so many children and families here and to share such useful activities to help us all be healthy! This supports the learning that children do in school and I hope it was also useful for adults too; it was certainly a lot of fun! The fair started earlier for children

with a wonderful fitness lesson from Mr Holland and a chance for each year group to see the wonderful learning of children across the school.

Year 2 Drama Workshop

Year 2 participated in a wonderful drama workshop to re-enact the class text of 'George's Marvellous Medicine'. The workshop leader from 'Perform' used drama techniques such as 'freeze-frames' of key moments in the story, including Grandma growing taller and animals on George's family farm. Zoe from Sycamore said that she enjoyed 'tricking Grandma when we had to run in the opposite direction'. They used their bodies to recreate key scenes using physical theatre and made sure to use expression in their acting. Martim in Lime said that he discovered 'that Roald Dahl was born on 13th September, all the way back in 1916!'. It was a great way to get the children moving whilst bringing the story to life.

Goodbye and Good Luck!

It's the time of the year when we need to say goodbye to some of our staff. This year we are sad to see our class teachers Miss Thomas and Miss McCall leave. They are both going on to new and exciting things and we thank them for everything they have done here at West Twyford and wish them all the best for the future!

Summer Fair: Thursday 4th July

Make sure you have the date in your diary and your tickets booked! We are looking forward to seeing you all for lots of fun and games! The fair begins at 4pm and please remember that all children must be accompanied by an adult. Tickets can be purchased on School Money. See you there!
