West Twyford Calendar

Black History Week

This week at West Twyford, we celebrated Black History Week. The theme for 2026 was 'honouring our communities', focusing on the everyday contributions of black people for our society. Each year group focussed on a different black British individual. They each wrote an English piece about their individual and created a work of art inspired by them and their contributions.

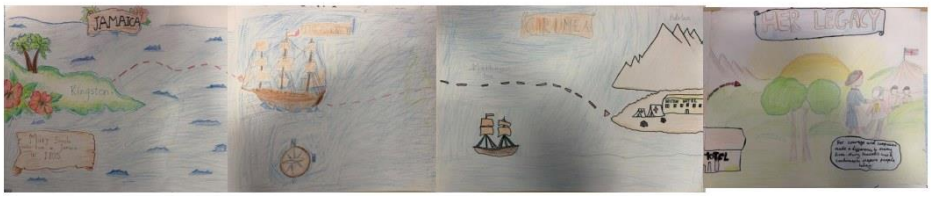

Year 6 worked in groups to produce images showing different periods of Mary Seacole's life - for example, her time in Jamaica, her journey to Crimea. They then placed these pieces chronologically to show her journey.

In Year 4, children wrote reports about the artist El Anatsui. First, they made their own fact sheet about Anatsui. They then made a plan which helped them to organise their report, before writing detailed paragraphs and publishing in their best handwriting.

It has been a very enjoyable and interesting week!

Congratulations to our new House Captains, elected by their houses, they will represent each house during the year and take on special roles. They can be very proud of their achievement and we look forward to them being oustanding role models during the year.

Punctuality, coming to school on time, is very important. **Learning in school starts at 8.55, and we need all children to be in school ready to learn.** We teach phonics first thing in the morning, if children are late then they miss an very important learning opportunity.

School gates open at 8.45: please ensure that your child is on time to make the most of the school day.
