If you are intertested in applying and have any questions or would like to discuss the role, please contact the school office to speak to Mr Shapland.

The closing date for nominations is 3.30pm on Friday 27th November 2026

In the event that there are more than one nomination a ballot will take place.

Coffee Morning with Governors

We'd love to hear from parents and carers as we plan future coffee mornings with governors. These will be informal opportunities to meet governors, hear a little more about what they do, and share your views about school life.

Governors help set the strategic direction of the school and provide support and challenge to school leaders. They do not make day-to-day decisions about how the school is run or deal with individual concerns.

Your feedback will help us understand what parents and carers value about the school and what you would find useful to discuss with governors. We'll listen to and consider what we hear, but these conversations will not necessarily lead to a particular change or action.

Please don't include names or details of individual children or staff. If you have a personal concern, please use the school's usual contact or complaints route instead.

This survey should take about 2–3 minutes.

School gates open at 8.45: please ensure that your child is on time to make the most of the school day.
