## Cooking in Year 3!

This week, year 3 have begun their cooking unit. They have been making honey, oat cakes, inspired by their Roman's topic. As well as practising cooking skills such as mixing and stirring, the students have had to use their maths skills to measure the ingredients correctly and ensure that the

biscuits were in the oven for the correct amount of time. Elena said, 'I liked being able to mix the mixture together'. Afan said, 'I liked the taste of the honey in the biscuits.'

## Upcoming Events:

School photo day Thursday May 23rd and half term activity opportunities

## OPAL Update

It has been great to see the children out on the school field this week and having lots of fun with dressing up, vehicles and daisies!

## Year 5 Trip to RAF Museum

Year 5 enjoyed an exciting day out to the RAF Museum this week as part of our history learning about World War II. We loved seeing so many incredible examples of British, US and German aircraft up close. There were also interactive activities to give us an insight into other roles within the RAF. To

link in with our class text 'An Elephant in the Garden' we took part in

an air raid workshop. This transported us back to 1940 and enabled us to experience and imagine what life would have been like at that time and what children would have done during an air raid. It was really fun and interesting and brought our learning about World War II to life!
