Learning in Year 1!

Year 1 have been learning all about where we live. We started by using our map reading skills to find facts about London that were hidden around the playground. Then we used atlases to find London on a map of the UK. We used these maps to discover more about England and the famous landmarks you can find in this country.

In English we have been reading traditional tales and focused on the story Monkey See, Monkey Do, which originates from India. Aiyanah said "I loved this story because the silly monkeys kept copying the man!" The children retold the story using adjectives. In Science we have been learning about animals and this week everyone enjoyed classifying them into their animal groups of reptiles, birds, amphibians, mammals and fish. Adam said "Birds have wings and I love their beaks."

Well done for all your hard work this term Year 1!

OPAL Update

Please keep your contributions coming in.

We are now looking for cushions and rugs for 'chill out' spaces outdoors and are very interested in **weatherproof outdoor cushions**; also **old pots and pans and kitchen utensils** would be very welcome for an **outdoor home/kitchen area**.

Please drop items in the crates outside the office.

Many thanks.
