Reading opportunities in Year 4!

Year 4 are excited to be taking part in the Young Readers Programme this year. The National Literacy Trust offers this to encourage children to find joy in reading. Year 4 have taken time to research a range of genres and authors to decide which books they would like to take home. This week children received their second book and shared some recommendations with each other!

'In Year 4 we have been researching books to keep. If you would like a fantastic fiction book I like Roald Dahl's Matilda because there is a really intelligent girl!' - Sana A

'We are really lucky to have this opportunity, that's why we put a lot of effort into it.' - Julia

'We have got recommendations to share. If you like crime and mystery, the Clockwork Sparrow is the book for you!' - Sana R

OPAL Update

There were exciting times in the playground this week when we introduced vehicles to play with, and dressing up and chalk for the older children.

Please keep your contributions coming in. We are now looking for cushions and rugs for 'chill out' spaces outdoors and are very interested in weatherproof outdoor cushions; also old pots and pans and kitchen utensils would be very welcome for an outdoor home/kitchen area. Drop items in the crates outside the office. Many thanks.
