Friday 15th March 2024

Year 1 Learning

In Year 1 we have been enjoying some traditional stories with a twist! We wrote our versions of Rapunzel, trying to make sure we used lots of descriptive words and had capital letters and full stops. Some of us even used question marks and exclamation marks! We use our phonics to help us sound out the words. We have also been thinking about the feelings of the characters in Hansel and Gretel this week: "I think she is frustrated because the children are eating her house." "She is starving because the greedy children ate all the food."

Our Geography topic this term focusses on maps, we have created our own maps of the classroom and the school – can you find your way to the climbing frame?

OPAL Update and Request for Donations

Many thanks for the contributions you have made already. We are building up a supply of items and we have already started to make dressing up clothes available to children in the playground and it is proving very popular indeed - so popular that we cannot meet the demand for it and so we have had to rota the classes across the week.

We still need any small world toys and clothes and accessories for dressing up to keep coming in.

Watch out for photos in the newsletter of children wearing your donated finery – they love it!

Additionally, if you have any wheelie suitcases that you no longer need (particularly large ones) we would really appreciate them. Many thanks.

School Choir

We are delighted that our wonderful school choir have been out performing in the Music for Youth festival. They performed brilliantly and hope to get through to the national festival!
