## Year 4 Learning

Children in Year 4 have been working on a reading project over the last two weeks. The project is part of the Young Readers Programme which is organised by the National Literacy Trust and sponsored by British Land (the company who own Ealing Broadway Centre). The children have been working hard researching authors and genres. They are looking at books they have read as well as researching new books from booklists and the internet. As part of the project all Year 4 children will have three books each purchased for them over the year. The books are for the children to keep.

Year 4 children have been very enthusiastic about this project and are really enjoying the books.

Some the comments made about the book choices include: 'I love it!', 'It's realistic and I love adventure' and 'I really like this author'. Reading well is so important and it's wonderful that Year 4 are developing their skills in this vital area.
