Learning in the Nursery

In Nursery we read the exciting story of The Three Little Pigs. We made straw, stick or brick houses in our craft activity and experimented with which material was the strongest. We also retold the story with mini figures and acted it out with props. Here we are enjoying.

Cycling to School

Cycling and scooting to school are excellent ways to travel and we encourage all our child to come to school in a healthy and eco-friendly way.

Recently we have noticed that some children have bicycles which are not safe. For example bikes without brakes. Please ensure that any bicycle or scooter that comes to school is safe and road-worthy. All brakes must be in working order. If we have concerns about your child's safety due to the condition of their bicycle we may not allow them to ride it home.

Thank you for your support.

Punctuality and absence

Children are expected to be in class by 8.55. If children are late this means they can miss vital information about learning points. Please ensure that your child arrives ready to start learning at 8.55. Our gates are open at 8.45 to make sure there is time to get to class.

Term dates

Last day of term: Thursday 21st December (children finish at 1.30)
Spring term starts: Monday 8th January
Please ensure that your child is present in school. Term time holidays and extended time off cannot be authorised. Thank you for your support.
