Black History Week

Every year we take a week to focus on black history. This is very important as this aspect of history has sometimes been forgotten and we want our children to have an understanding of everyone's history. In this special week, we focus on the great contribution made by black people to British history and the children learn about a range of important black people from 9,000 years ago to the present day. Each year group focuses on one amazing person and they learn about inspiring and fascinating individuals such as Walter Tull, Lilian Bader and Floella Benjamin.

Year 3 Stone Age trip

This week, Year 3 went on a trip to Gunnersbury Museum. The children took part in a Stone Age Survival workshop where they explored and experienced life in Stone Age Britain. They practised throwing spears and building shelters. Fuad said 'I loved it because the workshop was really fun.', Umar said 'I liked throwing the spears.'

Year 2 Celebrating Divali

This week the Year 2 children had a fantastic opportunity to explore the story of Rama and Sita through Dance. The children were taught moves by a West End Dancer and the children performed to their teachers at the end with music. Luella said 'I loved the dancing!' and Adam commented 'It was lots of fun!'

Ealing Foodbank Donations

A huge thank you to everyone who donated to our Foodbank Collection.

The food has been delivered to our local bank and will help those in need in our local community. The Foodbank were very appreciative.
