## Meet the Teacher

We like to start the school year with an opportunity to meet your child's class teacher and hear some of the key learning they will be doing this year. All our meetings take place in the school hall at the beginning of the school day. These are very helpful sessions and will have information about the year ahead and how to support your child. Children also attend these meetings so that everyone is clear what the new year will bring. Please see the dates below and we look forward to seeing you then.

Tuesday 26th September Year 3  
Wednesday 27th September Year 5  
Thursday 28th September Year 4  
Friday 29th September Year 6

Tuesday 3rd October Year 1  
Wednesday 4th October Year 2  
Thursday 5th October Reception

We will accommodate younger siblings where possible but please be aware that this is an important meeting for all to hear. We may also ask you to leave buggies outside as the hall will be quite full.

## Inspection

West Twyford was visited by Ofsted this week. This was a two-day inspection and the inspector looked at many aspects of our school life, including talking to children and parents. I was very proud of the way the whole school community pulled together to show the very best of our school and the inspection was a positive experience. Ofsted will now write a report, which will be shared with you. This process takes a few weeks so it is likely that it will be available in about 6 weeks. As soon as we have it we will send a copy to you and publish it on our website.

## SPACE Counselling Service

Greta is back with us again this year to offer wellbeing support to children, parents, and families. If you would like to meet for a confidential and non-judgmental talk about you or your child or any other worries, she is available on Thursday mornings. To book an appointment, you can call/text her on 07833 460683 or e-mail: [greta@schools counsellingpartnership.co.uk](mailto:greta@schools counsellingpartnership.co.uk)

## Uniform

A reminder about the importance of our school uniform. Please make sure that your child has the correct uniform and PE kit. This helps to ensure that children are always ready to learn and able to take part safely in PE lessons. Please click here to see our uniform expectations. If you are experiencing any difficulties with uniform, including financial issues, please do contact the school office.

## Celebrating Birthdays

We are happy to help celebrate children's birthdays in school. Please remember that we do not allow children to bring in chocolate, crisps or sweets. We are a healthy school and promote healthy eating to our children. We do allow children to bring in individual cup cakes to give out—these must not contain chocolate or nuts (we are a nut-free school due to children's allergies)- and should be suitable for children. Thank you for your support
